Service Pooling.

Services on a pooling account contribute their data allowance to the pool of data available to all services in that pool. Data Pooling is managed at a data pool level, only services in the same pool contribute and consume data from that pool. Data cannot be shared across data pools. A maximum of 300 services can be in a pool. Multiple Data Pools may be created. Services in a Data Pooling account must all be on a Data Pooling plan but may be on different data pooling plans. A Data Pooling Account must either Auto or Manual top up. Data banking is not available with Data Pooling. Data Pooling is not available overseas..

Can we Change your Plan?

From time to time, we may make changes to your Plan, including the price and inclusions. Our mobile plans include an annual price review and may increase by the Consumer Price Index (also known as CPI) in July each year. If we change your Plan, or move you to a new Plan, we'll give you a minimum of 30 days' notice before we make the change. If we reasonably consider that the change or move has more than a minor detrimental impact on you, you may cancel your plan by either disconnecting the service or porting the mobile number away from us

Your First Months Charges.

On your first bill, you will be charged a pro rata amount from the date your service is connected until the 28th of the month of connection, and a full month's charge for the following month.

International Roaming.

International Roaming is the ability for a customer to automatically make and receive voice calls, send, and receive data, or access other mobile services when travelling outside Australia by using the infrastructure of a "visited" network. International Roaming defaults "off" you need to ask us to enable international roaming before leaving Australia. On arrival at the overseas destination, you will receive a message prompting you to activate an international roaming pack by sending ROAM to 179. You will receive a message confirming activation. See International Roaming at our web site
