What's Included	<p>Your Plan is for post-paid mobile phone service using parts of the Telstra Mobile Network. 5G service is subject to network coverage and device capability. It can be used within Australia to access data, make calls, and send SMS and MMS to standard Australian numbers, and most "11xx,12xx, 13xx and 1800 numbers, and most International numbers. International numbers. International calling, Data top up, and international roaming defaults off. You must ask us to turn on any of these features. Subject to handset capability, this service includes WiFi Voice.</p>					
Data Banking	<p>If you have not consumed all your data by the end of your data cycle (28th of every month), the unused data will roll over and be available to you in the next month. This will occur at the conclusion of each billing cycle. The maximum amount of data you can bank is 500GB. If a plan is downgraded, the data bank is forfeited. If the service is suspended, it will retain its data bank. but will not accumulate more data each month if it remains suspended. If a service is disconnected or ported away, any data in the databank is forfeited, even if the disconnection or port is in error.</p>					

## Critical Information Summary

### Other Call Charges

Other Call Charges are available at [www.ozict.com.au](http://www.ozict.com.au) – Critical Information Summary

### Your Device.

Devices are not included.

### Data Banking.

If you have not consumed all your data by the end of the bill cycle (28th day of the month), the unused data will roll over and be available to you in the next month. This will occur at the conclusion of each billing cycle. The maximum amount of data that you can bank is 500GB. If a plan is downgraded, then the data bank is forfeited. If a service is suspended, it will retain its data bank, but will not accumulate more data each month that it remains suspended. If a service is disconnected or ported away, any data in the data bank is forfeited, even if the disconnection or port is in error.

### Can we Change your Plan?

From time to time, we may make changes to your Plan, including the price and inclusions. Our mobile plans include an annual price review and may increase by the Consumer Price Index (also known as CPI) in July each year. If we change your Plan, or move you to a new Plan, we'll give you a minimum of 30 days' notice before we make the change. If we reasonably consider that the change or move has more than a minor detrimental impact on you, you may cancel your plan by either disconnecting the service or porting the mobile number away from us.

### Your First Months Charges.

On your first bill, you will be charged a pro rata amount from the date your service is connected until the 28th of the month of connection, and a full month's charge for the following month.

### International Roaming.

International Roaming is the ability for a customer to automatically make and receive voice calls, send, and receive data, or access other mobile services when travelling outside Australia by using the infrastructure of a "visited" network. International Roaming defaults "off" you need to ask us to enable international roaming before leaving Australia. On arrival at the overseas destination, you will receive a message prompting you to activate an international roaming pack by sending ROAM to 179. You will receive a message confirming activation. See International Roaming at our web site (Useful Information for more information)
